

Product: CD2K

Type: 2kg CO2 extinguisher

Application: Hospitals, Supermarkets, Hotels, and Restaurants, Paint shops, Fast Food chains, Modern offices, Industrial units, Offices, Telephone exchanges etc.

Features: Squat cylinder design
User friendly
Swivel Horn
Ergonomic design
Lightweight Aluminium cylinder
Quality Product

Benefits: Excellent fire ratings
Easy to handle – compact
Reduced service time
Reliability
Fire fighting performance

Carbon dioxide extinguishers are suitable for class b risks involving flammable liquids and especially for electrical hazards. These extinguishers have been a natural replacement for halon. Co2 is harmless to electrical equipment and as such is ideal for modern offices, electronic risks, and fires caused by the combustion of liquids such as: oils, fats, solvents, etc. This unit has excellent fire rating in its class.
