

- Product:** CD5K
- Type:** 5kg CO2 extinguisher
- Application:** Hospitals, Supermarkets, Hotels, and Restaurants, Paint shops, Fast Food chains, Modern offices, Industrial units, Offices, Telephone exchanges etc.
- Features:** Robust design
Easy to handle
Hose & horn
Ergonomic design
Lightweight Aluminium cylinder
Higher performance -70B
- Benefits:** Excellent fire ratings
Powerful extinguisher
Reduced service time
Reliability
Fire fighting performance
Ideal for Industry

Carbon dioxide extinguishers are suitable for class B risks involving flammable liquids and especially for electrical hazards. These extinguishers have been a natural replacement for halon. Co2 is harmless to electrical equipment and as such is ideal for modern offices, electronic risks, and fires caused by the combustion of liquids such as: oils, fats, solvents, etc. This unit has excellent fire rating in its class.
