

- Product:** FS9
- Type:** 9ltr stored pressure AFFF extinguisher
- Application:** Hospitals, Supermarkets, Hotels, Restaurants, Paint shops, Clothing & Fabric industries, Industrial units, Offices etc.
- Features:** Good design
Easy to handle
Effective spray application
Ergonomic design
More effective than water
Higher performance
- Benefits:** Now available without torque
Uses 1% AFFF
Reduced service time
Reliability
Knockdown performance
Ideal for offices

Foam extinguishers are ideally suited where both class A & B fire risks exist. Aqueous film forming foam or afff is particularly suited to fight liquid spill fires such as petrol, oil, fats, paints etc. And works by forming a film on the liquid to extinguish the fire. This extinguisher has also passed the electrical conductivity test at 35kv.
